The Scholarship selection committee will give consideration in the following order:

1. High School Graduates applying for the first time for this scholarship.
2. Prior applicants who did not receive a prior scholarship from the Chapter.
3. Prior Chapter scholarship recipients.

All scholarship funds awarded will be sent to the educational institution upon proof of registration, to be deposited in the recipient's school account. No direct payments will be made to recipients. Applicants must have been accepted to an accredited college or university and must be enrolled to be eligible for scholarship funds.

When completing the application, please keep in mind that your materials will be scored. Two areas that are looked at and which need to be specific are your (1) Community Involvement – groups you belong to, activities you participate in outside of school. These may be things like church groups, 4H, choirs, etc. Separately, detail your (2) Extra-Curricular activities – things that are associated with your school, such as band, sports, debate teams, etc. (You may add additional pages as necessary) The committee will look most closely at the last two years, so please be specific as to when the Community Involvement or Extra-Curricular activities occurred. Pertinent data outside the two year window may be included for consideration, but please denote when these took place as well.

GOOD LUCK!
